

## Live Stream Studio

Real Time Welding Demonstrations, Presentations and more!

No need to plan a business trip or an office meeting  
just switch on your computer/tablet and **join the live stream!**

### What does it mean for you?

Less to none **travelling**

More **participants**

**Interactive** Q&A

**"Show and tell"** of any anchor

As travelling has become quite challenging during this COVID-19 sanitary crises situation, SILICON has decided to invest in its own Live stream studio. Yes, we want to show our technology and share our knowledge with you as if we were LIVE.

Do you want to...

Know how to reduce Turnaround times?

See the difference about traditional welding and our Rapid Arc Welding Technology?

Learn what specific anchors are suitable for your industry...
